Faith Communities

"A great conference and well planned, Kairos provides highly informative training and great expertise from speakers who are passionate about disabilities."

Everybody has a place, Conference delegate

"It's been good coming here... It's important, I have a great story!"

(Research partner, EveryBody Has a Story)

"I really enjoyed your training day on education and disability, I came knowing nothing and go away to continue to become upskilled..."

Training day delegate

"I really enjoy working with The Kairos Forum as a consultant, it is always an opportunity to be creative in my work."

🐦 @KairosForum

Meet People with Intellectual Disabilities and get to know each others' story.

Explain, by using creative communication skills, that EveryBody Has a Story and that we should share them with each other.

Explore how stories are fantastic contributions to the world and explore how your story can enrich each others' lives.

Transcend any concept or idea that disables a person's life and move towards building communities where all belong.
