

Call for Posters and Poster presentations

On the 27th and 28th of October 2025 the Kairos Forum will stage two unique events, to share in and celebrate the Jubilee for the World of Education.

Would you like to make and display a poster at our Conference in the Pontifical Faculty of Theology Teresianum, Rome, followed by a day of practical workshops at the Edith Stein Centre, Rome?

Posters should reflect the writings and life of Edith Stein in conversation with the experience of neurodiversity. They should explore the relevance of and value of such a debate in the 'World of Education' today.

Four posters will be chosen for 15-minute poster presentations which will be moderated and observed by experts in the study of Disability Theology and Edith Stein Studies.

This is a new and exciting area of study and your poster can be an important contribution to this journey ...
